

# Decision Making in Basic Neurosurgery

## Theoretical & Practical Course

10 KEY NEUROSURGICAL TOPICS

for

Family Doctors, Medical Officers and  
Final Year-Medical Students.

( Maximum 10 participants )

**Clinical guide discussion, neuroanatomical practices,  
lives surgeries and ward rounds.**

**Course Inauguration  
of Mnazi Mmoja  
NED Insitute**

17-22 November, 2014

Mnazi Mmoja Ned Institute. Zanzibar. (Tanzania)

### COURSE DAY SCHEDULE:

**08:00-08:30. Discussion of surgical cases.**

**08:30-14:00. Live Surgeries at Mnaza Mmoja NED Institute.**

**14:00-16:00. Neuroanatomical Practice\*.**

**16:00-18:00. Lectures.**

**18:00-18:30. Ward Rounds.**

### Organization:

**NED**  
FOUNDATION

HOSPITALES NISA  
FOUNDATION

**CEU**  
University  
Neuroscience Chair

**MNAZI MMOJA**  
HOSPITAL

## Lectures

**Lectures 16:00-18:00 each day (Monday thru Friday).**

**During the course the presentation should be a summary of the guideline, highlighting the key points of the topic.**

### **17th NOVEMBER:**

**Comprehensive Review of Brain and Spine Injuries. Evaluation and Treatment.**

**Paul Yong**
